**BEFORE THE  
TEXAS COMMISSION ON  
ENVIRONMENTAL QUALITY**

## **AGREED ORDER DOCKET NO. 2006-2088-PST-E**

### **I. JURISDICTION AND STIPULATIONS**

At its \_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding John Ali Hemati dba Mimbela Fuel & Oil ("Mr. Hemati") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and Mr. Hemati appear before the Commission and together stipulate that:

1. Mr. Hemati owns and operates a convenience store with retail sales of gasoline at 7500 Gateway Boulevard North in El Paso, El Paso County, Texas (the "Facility").
2. Mr. Hemati's two underground storage tanks ("USTs") are not exempt or excluded from regulation under the Texas Water Code or the rules of the Commission.
3. The Commission and Mr. Hemati agree that the Commission has jurisdiction to enter this Agreed Order, and that Mr. Hemati is subject to the Commission's jurisdiction.
4. Mr. Hemati received notice of the violations alleged in Section II ("Allegations") on or about December 4, 2006.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Mr. Hemati of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
6. An administrative penalty in the amount of One Thousand Five Hundred Dollars (\$1,500) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). Mr. Hemati has paid One Hundred Dollars (\$100) of the administrative penalty and Three Hundred Dollars (\$300) is

deferred contingent upon Mr. Hemati's timely and satisfactory compliance with all the terms of this Agreed Order. If Mr. Hemati fails to timely and satisfactorily comply with all requirements of this Agreed Order, including the payment schedule, the Executive Director may require Mr. Hemati to pay all or part of the deferred penalty.

The remaining amount of One Thousand One Hundred Dollars (\$1,100) of the administrative penalty shall be payable in 11 monthly payments of One Hundred Dollars (\$100) each. The next monthly payment shall be paid within 30 days after the effective date of this Agreed Order. The subsequent payments shall each be paid not later than 30 days following the due date of the previous payment until paid in full. If Mr. Hemati fails to timely and satisfactorily comply with the payment requirements of this Agreed Order, the Executive Director may, at the Executive Director's option, accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. In addition, the failure of Mr. Hemati to meet the payment schedule of this Agreed Order constitutes the failure by Mr. Hemati to timely and satisfactorily comply with all the terms of this Agreed Order.

7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and Mr. Hemati have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director recognizes that Mr. Hemati has obtained financial assurance for the USTs at the Facility on November 22, 2006.
10. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Mr. Hemati has not complied with one or more of the terms or conditions in this Agreed Order.
11. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
12. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

## II. ALLEGATIONS

As owner and operator of the Facility, Mr. Hemati is alleged to have failed to demonstrate acceptable financial assurance for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum USTs, in violation of 30 TEX. ADMIN. CODE § 37.815(a) and (b), as documented during an investigation conducted on November 1, 2006.

## III. DENIALS

Mr. Hemati generally denies each allegation in Section II ("Allegations").

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

It is crucial to ensure that all data is properly documented and stored in a secure manner. This includes maintaining backup copies of all files and ensuring that access is restricted to authorized personnel only. Regular audits should be conducted to verify the integrity and accuracy of the data.

The second part of the document outlines the specific procedures for data collection and analysis. It details the steps involved in gathering information from various sources and how it should be processed and analyzed.

Procedures should be established to ensure that data is collected consistently and accurately. This involves defining clear protocols for data entry and verification, as well as implementing quality control measures.

Once the data has been collected, it must be analyzed using appropriate statistical methods. This allows for the identification of trends, patterns, and anomalies within the data set.

The analysis should be conducted in a systematic and unbiased manner. It is important to use objective criteria and to avoid any potential biases that could affect the results of the analysis.

The final part of the document discusses the reporting and communication of the findings. It provides guidelines on how to present the data in a clear and concise manner, using appropriate visual aids and tables.

Reports should be written in a professional and objective style. The findings should be clearly stated, and any limitations or uncertainties should be acknowledged. The report should be distributed to all relevant stakeholders.

Effective communication is key to ensuring that the findings are understood and acted upon. This involves presenting the information in a way that is easy to understand and relevant to the audience.

Regular updates and communication should be maintained throughout the process. This ensures that all parties are kept informed of the progress and any changes that may occur.

The document concludes by emphasizing the importance of ongoing monitoring and evaluation. It suggests that the processes and procedures should be reviewed and updated regularly to ensure they remain effective and efficient.

Finally, it is important to foster a culture of continuous improvement and learning. Encouraging staff to share their ideas and experiences can lead to valuable insights and improvements in the overall process.

In conclusion, the document provides a comprehensive overview of the data management and analysis process. It offers practical guidance and best practices to ensure that the data is handled with care and that the findings are effectively communicated.

The information provided in this document is intended to serve as a guide and should be adapted to suit the specific needs and circumstances of your organization.

For further information or assistance, please contact the relevant department or individual mentioned in the document.

#### IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that Mr. Hemati pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and Mr. Hemati's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations, which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: John Ali Hemati dba Mimbela Fuel & Oil, Docket No. 2006-2088-PST-E" to:  

Financial Administration Division, Revenues Section  
Attention: Cashier's Office, MC 214  
Texas Commission on Environmental Quality  
P.O. Box 13088  
Austin, Texas 78711-3088
2. The provisions of this Agreed Order shall apply to and be binding upon Mr. Hemati. Mr. Hemati is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility the operations referenced in this Agreed Order.
3. If Mr. Hemati fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Mr. Hemati's failure to comply is not a violation of this Agreed Order. Mr. Hemati shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Mr. Hemati shall notify the Executive Director within seven days after Mr. Hemati becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
4. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by Mr. Hemati shall be made in writing to the Executive Director. Extensions are not effective until Mr. Hemati receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
5. This Agreed Order, issued by the Commission, shall not be admissible against Mr. Hemati in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
6. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
7. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to Mr. Hemati, or three days after the date on which the Commission mails notice of the Order to Mr. Hemati, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.

I, the undersigned, have read and understand the attached Agreed Order. I am authorized to agree to the attached Agreed Order on behalf of the entity, if any, indicated below my signature, and I do agree to the terms and conditions specified therein. I further acknowledge that the TCEQ, in accepting payment for the penalty amount, is materially relying on such representation.

I also understand that my failure to comply with the Ordering Provisions, if any, in this order and/or my failure to timely pay the penalty amount, may result in:

- A negative impact on my compliance history;
- Greater scrutiny of any permit applications submitted by me;
- Referral of this case to the Attorney General's Office for contempt, injunctive relief, additional penalties, and/or attorney fees, or to a collection agency;
- Increased penalties in any future enforcement actions against me;
- Automatic referral to the Attorney General's Office of any future enforcement actions against me; and
- TCEQ seeking other relief as authorized by law.

In addition, any falsification of any compliance documents may result in criminal prosecution.
